6th of December: Saint Nicholas

On the 6th of December, St. Nicholas will visit our school, read from his golden book and surprise each child with a little treat.

7th of December: Christmas party

This year's Christmas party takes place on 7th of December. At 5:00pm all students with their parents and relatives will meet up at our festively decorated domed hall of our palace. During school hours, as well as afternoon care time, our students have prepared a varied program for this evening.

This year, the food is organized by the parents. The parents' council asks for minimum donation of 5€ per adult.

We would be happy if some more dishes could be contributed. For that, please enter your name on the sign up list on doodle.

Children that are not signed up for the afternoon care are still welcome to stay at school until the Christmas party begins.

Since the Christmas party is a school event, absence of any child is only possible with a valid reason and must be excused in writing.

Please return the section below with the number of participants by latest 12/04 to the respective class teacher, so that we can plan ahead. We thank you for your help.

Christmas bags for the Bayreuther Tafel

This year, our Christmas donations are for the Bayreuther Tafel. We will collect your donations until 12/13/2017 in packed bags. You can fill those bags with self-made cookies or other candy. Our donations will be delivered to the Bayreuther Tafel for children in need.

Werden wir zusammen mit den Kindern die Spenden in die Tüten geben oder sollen die Eltern fertige Tüten packen (wäre vielleicht bei Plätzchen besser....)?

22nd of December: Last school day before Christmas holidays

In order to make the last school day before Christmas as flexible as possible, lessons will end at **11:30am**. We offer a childcare until 2pm. You can pick up your child anytime in between. However, should you need a childcare longer than up to 2pm, please contact Ms. Erath as early as possible. Please also note that we do not offer any lunch on that day.

The first school day after the holidays is on 8th of January.

Review: Open Day

We are very happy that our open day was a full success. We had a lot of interested visitors.

We would also like to thank all families for helping us on that day.

Results from our survey about the skiing and snowboarding courses

We are happy to be able to offer a skiing and snowboarding course, once again this year. We have set the date together with the skiing school for the time between 29th of January until 2nd of February 2018. Students not participating in the course will remain at school till 2:00pm and will be supervised there.

We wish all families a nice Christmas season and a Merry Christmas!
