6th of December: Saint Nicholas' Day

On Thursday, December 6th, Saint Nicolas visits us, reads from his golden book and surprises every child with a little treat.

Baking Cookies on December, 13th and 20th

This school year, the baking with Mrs Klier takes place after the homework care from about 3:40pm to 5 pm on Thursday, December 13th and Thursday, December 20th.

If your child is interested in baking cookies, please inform Ms Erath via erath.s@dr-wiesent.de. The places are limited to 4 – 5 children for each date. Please equip your child with cookie cutters, a rolling pin and if necessary an apron.

Reminder: Visit to the Studiobühne

The students of the first and second grade will visit the theater on Wednesday, 12/19/2018 to watch the play "Are you crazy?!" ("Du spinnst wohl!"). The class teachers will collect 8.00€ from each child. Please have your child bring the money, if it hasn't already been done so.

19th of December: Christmas party

This year's Christmas party will take place on December 19th. All students together with their parents and relatives will meet in the festively decorated domed hall of our school at 5pm. The children have prepared a varied program for this evening.

This year the meals will be organized by the parents. The parents' council is asking for a donation of 5€ from each adult as a contribution.

We would be pleased if some more side dishes and desserts could be contributed. Please check the Doodle list.

On that Wednesday, children who are not registered in the afternoon may also stay at school in the afternoon until the Christmas party. The fee is 5.00€ per child (for children, who are not registered for the afternoon care on that day).

Since the Christmas party is an official school event, the absence of a child is only possible for good reasons and must be excused in writing.

Please hand in the attached section below with the number of participants attending by latest 12/07/18 to the respective class teacher, so that we can plan ahead more precisely. Thank you very much for your help.

21st of December: Last school day before the holidays

In order to make the last day of school before the Christmas holidays as flexible as possible for you, classes end **at 11:30am**.

- On that day there will be no physical education classes held. The class teacher will hold all lessons.
- Afterwards, we offer a child care until 2pm, during which time the children can be picked up. Please inform Ms. Erath (erath.s@dr-wiesent.de) if you wish to take advantage of this offer.
- The general care time ends at 2pm on that day. Nevertheless, in urgent cases, should you require longer care time, please contact Ms. Erath by Monday, 12/17/18.

Review: Open Day

We are very pleased that the open day was a complete success. We would like to thank all families for helping to shape the day.

Result of the skiing and snowboarding course survey

This school year we will again conduct a skiing and snowboarding course, which we are very happy about. In cooperation with the skiing school, we have agreed on having our courses from the 21st to the 25th of January 2019. The children who do not participate will stay at school until 2pm and will be supervised by one of us.

- The gifts may be for children and elderly people
