On the Friday, the 4th of December Saint Nicholas visits us, reads from his golden book and surprises every child with a little treat.

**Change of teacher in the subject
Handcrafting in the 1st grade**

In order to implement the hygiene plan of the school even better, Mrs. Molinari will take over the handcrafting classes for Ms. Mottl. Thus, Mrs. Mottl will have less contact. Mrs. Molinari is already working in other lessons in the 1st class.

**7th of December:
Visit to the “Studiobühne”
theater unfortunately has been
cancelled**

Unfortunately, the theater play had to be cancelled due to the pandemic. All parents who have already paid the bus and entrance fees will get the money back. As soon as the teachers give the money back to your children, we will inform you via ESIS.

11th of December: Christmas evening for our students - canceled

Due to the continuing strict hygiene regulations, also for the children, the planned Christmas celebration must be cancelled this year. Unfortunately, we cannot offer a nice get-together without constantly reminding the students of the distance and other hygiene rules. Sadly, we have to cancel the school celebration. The class teachers will arrange a small internal Christmas party during lesson hours.

18th of December: Last school day before the Christmas holidays

Due to the early start of the holiday season, classes end at **2:00 pm**.

- The students receive lessons according to the timetable. The " physical education " in the outdoor area will also be held. A warm lunch will be offered.
- The child care also takes place regularly (until 5 pm)
- Please give your child a handful of cookies or gingerbread for their own consumption on this day as part of a small children's Christmas party in the classroom. We would be very happy, if these cookies do not contain peanuts. We have a child at our school with a very strong allergy. This child reacts to even the smallest amounts of peanuts transmitted. Thank you very much.

Emergency care due to the early start of the Christmas holidays

The school will provide emergency care for the 21st and 22nd of December 2020.

You will receive a parent letter in the next few days with the possibility to register and further information.

The school starts again on January 11, 2021.
