Interns in February

From February 14th to 18th, we will be assisted by intern Sienna Zekic, and from February 21st to 25th by interns Veronika Kocher and Maria-Lara Ponnath. The interns will accompany and assist our teachers in class. We are very much looking forward to their visit.

February 18th: Midterm report cards

On February 18th, our students in grades 1 through 3 will once again receive an overview of their educational progress.

On this day, classes are held according to the timetable. Physical education classes for 3rd and 4th graders will also be held.

After the holidays, the individual meetings with the children will be held. Here, the class teacher discusses the current level of performance with the respective child alone and sets goals for the coming semester together with the child.

Parents' evenings

We would like to invite you to the parents' evenings in the 2nd half of the year.

1st grade: Monday, Feb. 21st, 2022, 6:30 p.m.

2nd grade: Tuesday, Feb. 22nd, 2022, 6:30 p.m.

3rd grade: Wednesday, Feb. 23rd, 2022, 6:30 p.m.

4th grade: Thursday, Feb. 24th, 2022, 6:30 p.m.

To ensure that both parents have the opportunity to participate in the parents' evenings, they will again take place online via MS-TEAMS. We would therefore be very pleased to welcome as many of you as possible.

Please log in to the parent-teacher conferences with your child's account in TEAMS.

Many thanks to the sponsoring association

On behalf of all the students, we would like to thank the support association for their financial support. Through the help of the support association we were able to provide the students for the lessons, the afternoon time and for the break the following items: street coloring chalk, soft footballs, jump and swing ropes, moon hoppers, dance hoops, hokkis, table soccer, soil for the school garden, balls and seat cushions, which are used by the students with pleasure.

Advance notice: March 9th: 2nd School Forum

The 2nd School Forum of this school year will take place on Wednesday, March 9th, at 7 p.m. We ask all parents to forward their suggestions, questions, concerns and worries regarding school life as a whole to the respective parent representatives, so that they can be discussed that evening. Your parents' representative will get in touch with you.

Advance notice: Student project week

The motto of this year's project week for our students is "Designing Thinking for Kids". For this purpose, Mr. Fabian Kreis from FABISDESIGN kids will visit us and carry out this creative project with the students of all grades. The students of the 1st and 2nd grades will work on the topic "Our castle in the future", the students of the 3rd and 4th grades on the topic "My dream project".

Therefore, we are collecting magazines that are illustrated colorfully and would be happy if you could support us. We are preferably looking for pictures about • garden • country • life • vehicles, etc., so that we can offer the students a wide selection.

Depending on the Corona safety requirements, the project week will take place either after the Easter break or after the Pentecost break. We will keep you informed about it.

February 25th: Carnival and start of holidays

On the last day of school before the carnival holidays, all students are allowed to come to school dressed up.

Students should not bring guns, other weapons or confetti to school.

We would again appreciate donations for a nice diverse buffet for the students. You are also welcome to provide soda (no caffeinated drinks please) for the students.

Physical education classes are cancelled for the third and fourth grades.

On this day, **classes end at 11:30 a.m.** If you would like to have your student cared for until 2:00 p.m. on this day, please contact Mrs. Erath (erath.s@pgs.arche-twi.com). The afternoon courses as well as the afternoon care will take place as usual until 5 p.m.

School starts again on Monday, March 7th.

We wish you and your families relaxing carnival vacations!
