22nd of January: Info evening about Bal-A-Vis-X for all parents

On Monday, 22nd of January at 5pm, Ms. Nowak is going to introduce Bal-A-Vis-X (Balance, Auditory, Vision and exercises). These exercises help to improve focus and concentration and to train the eyes. Ms. Nowak includes these exercises in her lessons and works with individual children during remedial lessons. After this you have the possibility of attending the information evening about the school transfer.

22nd January: Info evening about the school transfer for the 3rd/4th grade

On Monday, 22nd of January at 6.30pm, our Deputy Head of school, Ms. Mottl, will inform all interested parents of the 3rd/4th grade about the school transfer and all the possibilities in the district of Bayreuth. Duration: about 1 hour.
29th of January – 2nd February: Skiing and snowboarding course

Just like last year, students not participating in the courses must stay at school until 2pm. They will be looked after by a teacher. Afternoon care will take place as usual. The afternoon courses will be held depending on the number of participants in the afternoon care. If you would like to register your child subsequently, please return the attached registration form by latest 12th of January 2018.

Please notice that the skiing and snowboarding course is a voluntary course that the school offers for the students (freiwillige Schulveranstaltung).

Christmas party

We would like to thank all parents again, for the wonderful Christmas party and the brought treats. It was a really great evening and the kids had a lot of fun. We would also like to thank all parents who helped organize our party. Thank you for the great cooperation and the kind selected presents. We are pleased to see our daily work being so appreciated.

Parking situation

Please be considerate of each other on the parking lot. It is not necessary to park longer in the morning, since the students are supposed to go to school on their own in order to strengthen their independency. It is, of course, a different matter, if, for example, you are looking for a short conversation with a teacher or help your child carry its' bags on a day, where it has to carry a lot.

We ask for your understanding that we cannot open our school grounds for dropping off your children, since we have students walking on our grounds.

6th of February: Preannouncement parents’ evening for the 2nd and 4th grade: “courage is good” by AVALON

On Tuesday, 6th of February, a parents’ evening for the 2nd and 4th grade will be held at 7pm. Further information will be distributed through a separate invitation. Please save the date.
6th of May: Pre-Announcement Maisel’s FunRun

During the last years, the participation of our students in the event „Maisel’s FunRun“ became established. Also this year, we are planning to take part in this run. This time, we will again form a run-cooperation between our Elementary School Schloss Thiergarten and the enterprise group SeniVita.

We would like to offer your child the opportunity to participate in one of the KNAX-runs. If you are interested, you can of course also register the siblings or yourself.

Every participating child and adult will receive a running shirt. Our registrations start from February 2018 onwards.

We wish all families a Merry Christmas and a happy new year!

We are looking forward to a new year with you!

Your school team of the Private Elementary School Thiergarten Palace.
