8th of January:

School will start again after the Christmas break on Monday, January 8th.

January 15th – 21st: Skiing and snowboarding course

Our ski course will take place from January 15th – 21st, 2024. All signed up students will travel to the Skischule Nordbayern in the nearby Fichtel Mountains right after lunch.

Just like last year, non-participating students must remain at school until 2 pm. They will be supervised by a teacher.

Afternoon supervision will take place as usual during the week of the ski course. The afternoon courses are based on the number of children present during the ski week and will be announced in advance.

We would like to point out that the ski and snowboard course is a optional school event.

19th of January: Midterm information

On Friday, January 19th, our fourth graders will receive their midterm information.

Christmas party

We would like to thank all the parents once again for the wonderful Christmas party and the treats they brought along. It was a really successful evening and the children had a lot of fun. We would also like to thank all the parents and the support association our school who helped plan the party. Thank you very much for the great cooperation and the lovingly selected gifts. We are delighted that our daily work is appreciated in such a way.

We would also like to thank the children in the second grade, who made a contribution of €16 with their self-designed comics! Thank you very much!

Together with the children, we will now consider which purchase for the school we will make with this money.

Please remember to meet the deadlines

Occasionally, we need you to return registrations, query slips and also amounts of money by a certain date.

We would like to ask you to adhere to the deadlines. This is the only way we can meet deadlines, e.g. to register your children, take advantage of offers or prepare and pay for projects.

We wish all families a Merry Christmas and a Happy New Year!

We look forward to the new year with you!
