FunRun review

On the 6th of May, 25 students and their siblings from our school participated in one of the kids' runs of the Maisel's FunRun. You were great! We are all very proud of your outstanding performance. Our thanks also goes out to all parents, relatives and friends who cheered on all of our runners.

Change for the hair dryer

Our sports teachers often notice that some students are not able to dry their hair after the swimming lesson, because they do not have the small change needed. In good deed for your children, please give them the needed change. 20ct in 5ct coins will suffice, so they are able to dry their hair.

5th of June: Dentist visit

On Tuesday, 5th of June, school dentist Dr. Melanie Freiberger will be visiting our school to discuss the proper dental care with our students.

Country hostel (4th – 6th of June)

From Monday, June 4th to Wednesday, June 6th, our fourth graders will travel together with Mrs. Heinz and Mrs. Mottl to the country hostel in Wunsiedel. Here, the children will do different activities. This trip is a nice get-together outside the classroom and may even make friends over the years to come. The students will return Wednesday at about 11:30 am and can then be picked up.

The parents' evening will be held at **7:00 pm** in the classroom of the 4th grade.
