Personnel Announcement

We sincerely welcome Mrs. Heinz back from parental leave. As of March 19th, she will again support the school team as our principal. Ms. Mottl will, of course, continue to be Deputy Head of our school.

Change of schedule

From the 5th of March, there will be smaller changes in the lesson schedule. The students will receive the new schedule in a printed out version. You will also receive the new schedule via email.

Easter crafts in the afternoon

This spring we have organized „Easter crafts“ for the students staying in the afternoon, where beautiful decorations will be made for the Easter season. The crafting will start after homework time at about 3:30pm. The two dates are on

Tuesday, March 13 and Tuesday, March 20.

The participation fee of 3€ will be collected each afternoon. The groups are limited to 10 participants. All students are cordially invited to this workshop, even if they are not regularly registered to remain at school in the afternoon. If you are interested, please register your child with Ms. Erath at erath.s@dr-wiesent.de no later than three days before the desired date. We are looking forward to creatively crafting together.

From March 1: We collect for the easter nests for the Bayreuther Tafel

In March, we would again like to do our project “Easter nest for the Bayreuther Tafel”. We will make nests and fill them up with candy together with all students starting on the **19th of March**. Therefore, we would be glad, if you could give your child some sweets on March 1. We are going to collect the sweets in our secretariat. The nests will be brought to the Bayreuther Tafel afterwards.

Parking situation

- Please take care of each other on the parking lot. It is not absolutely necessary to park longer in the morning, as the children should also walk to the school building on their own in order to support their independence. Of course, it is a different matter, if, for example, you are looking for a short conversation with the class teacher or on a day when your child has a lot of luggage with it and you help your child to carry it.

- We also ask for your understanding, that due to safety reasons, we cannot open the school yard for dropping off students nor **for parking since there are students crossing it on their way to school.**

Easter holidays

On Friday, March 23, school ends at 11:30am. However, the students are welcome to stay at school until 2pm. Please inform Ms. Erath (erath.s@dr-wiesent.de) in case you would like to leave your child at school until 2pm. Afternoon courses will take place as usual.

The Easter holidays are from March 26 to April 6.
School starts again on April 9.

We wish you and your families happy Easter holidays!
