November 2021

**30th of October -
7th of November:
Fall Break**

**17th of November:
Day of Prayer and
Repentance**

**Visiting the
Studiobühne:**

**18th of November
3rd and 4th grader**

**19th of November
1st and 2nd grader**

**Christmas craft work-
shop – please register -**

10/30 – 11/07/2021 Fall Break

The first school day after the break is on the 8th of November.

17th of November: Day of Prayer and Repentance

There will be no school on that day.

Visiting the „Studiobühne“ theater

This year our students will again travel to the

Studiobühne to see the play "Ox and Donkey". The Christmas story was written by Norbert Ebel.

- **The 3rd and 4th grade will go on Thursday, 11/18/2021,**
- **the 1st and 2nd grade will go on Friday, the 11/19/2021.**

Class teachers will collect **€11.50** from each child for this as of 11/08/2021.

Be sure to give your child the exact amount of money.

New registrations at our school

Fortunately, we already have a larger number of new registrations

REGISTER NOW!

for the coming school years. However, we would like to ensure that the siblings of our students are also considered.

Therefore, we ask you to submit the registration forms for the siblings to us as early as possible (also for the school years after next and further in the future). This way we can guarantee that the siblings will also receive a place at our school. We would also be pleased, if you would pass on the advice of early registration to interested parents.

Christmas craft workshop

Our federal volunteer Ms. Paula Heinrich is offering a Christmas craft workshop during the afternoon care hours in the season before Christmas. Dates are on:

- 11/23 (Tuesday), • 12/02 (Thursday), • 12/15 (Wednesday) and • 12/20 (Monday).

Each child can participate in the course for one time.

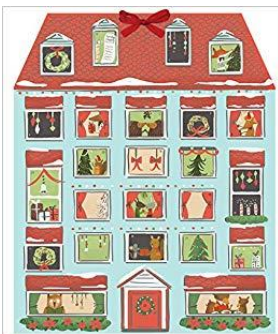

Please register your child with Mrs. Erath (erath.s@pgs.arche-twi.com), indicating the dates that are most convenient for you. The cost per course is 7 € and will be charged with the monthly SEPA debit collect. 6 children can participate in each course.

One-time afternoon care in case of emergency or before events

We also offer childcare for children for whom no regular afternoon care has been booked, e.g. if you have an emergency need at short notice or during the time between the end of school and a school event. Please understand that we charge a fee of 7,00 € per afternoon and will collect this amount by direct debit.

Homework

If your child has problems with homework or cannot solve certain tasks, we ask you to leave them blank. This allows the teachers to see what still needs to be practiced. Homework should not take longer than 60 minutes. Please inform the teacher, if your child requires more time.

Advent calendar in the classroom

In past years, several children in a class have brought in an Advent calendar for the class community. Unfortunately, the individual calendars could not be properly appreciated because there were too many in the class.

For this school year, please again check with your child's class teacher ahead of time to see if an Advent calendar is still needed for the class. Thank you!

Antolin

The purpose of the program is to use the computer's appeal to children to encourage them to read. By answering quiz questions about books they have read, students can earn points via the Internet. Teachers can track their students' reading activity and comprehension.

After a student has read a book listed on Antolin, he or she logs on to his or her individual Internet account. The child is asked between five and fifteen multiple-choice questions. Correct answers are counted with plus points, incorrect answers with minus points, and the result is stored in the student's account.

The questions require intensive reading.

Antolin provides parents and teachers with a means to track their children's or students' reading and reading comprehension on the computer. Teachers get a detailed overview of the reading activity of the class and the individual students.

Our school also uses the Antolin program. For this purpose, our teachers register your children and set up a points account for them.

The friends association asks for your support

Once again, we would like to thank the Friends Association for their active support and generous donations for our school's projects. In the last school years, for example, they have supported the KidsSafe-project, the school garden, the Bal-A-Vis-X equipment and made the farewell gifts for the fourth graders possible. In order to make these projects possible in the future, the Association is dependent on members and donations. For this reason, we would like to take this opportunity to ask you to consider becoming a member of the Friends Association so that it can continue to support these and future projects.

Private Elementary School
Thiergarten Palace

29th of October 2021

The domed hall was given a new color

The city of Bayreuth had the domed hall repainted during the summer holidays and now we are giving it a little bit of our own touch by decorating it with self-made lanterns.

We wish all families a wonderful November!
