1st/2nd grade will visit
the city library**

**New date for our Christ-
mas celebration:
Friday,12/16/2022**

10/28 – 11/06/2022 Fall break

The first day of school after the fall break is Monday, Nov. 07, 2022.

10th of November: Excursion to Tambach Castle (4th grade):

The children of the 4th grade won the contest at Radio Mainwelle for a class trip to the zoo in Tambach Castle. The trip is organized by the Stadtjugendring. We will provide you with further information in due time.

16th of November: Day of Prayer and Repentance

On this day, schools in Bavaria are closed.

23rd of November: Dentist visit

On Tuesday, November 23rd, our school dentist, Dr. Melanie Freiberger, will be coming to discuss and practice proper dental hygiene with the children.

24th of November: 1st and 2nd grade will visit the city library

The children of the first and second grades will visit the city library (RW 21) on Thursday, November 24th, and take a guided tour. They will also visit the Hofgarten. For the excursion, the children need a backpack with a snack, a drink and a seat pad as well. The bus trip costs € 7.00 for each child. This amount will be collected by the class teacher in the week after the break.

New registrations at our school

Fortunately, we already have a larger number of new registrations for the coming school years. However, we would like to ensure that the siblings of our students are also considered.

Therefore, we ask you to submit the registration forms for the siblings to us, as early as possible (also for the school years after next and further in the future). This way we can guarantee that the siblings will also receive a place at our school. We would also be pleased, if you would pass on this advice of early registration to interested parents.

Introducing a new member to our team

We are happy to have an additional member to support our team.

A warm welcome to you: Mr. Moritz Gutzeit

Starting in November, Mr. Moritz Gutzeit will be our new volunteer. Mr. Gutzeit will accompany us for one year during the lessons and in the afternoon care and will support the students and the team during this time.

Postponed Christmas party

Due to the current corona and illness situation, this year's Christmas party will not be held inside the palace on Thursday, Dec. 15, 2022 at 5 p.m. as first planned. Instead, **we invite you to a Christmas party in our palace garden on Friday, 12/16/2022**. The children will prepare a small Christmas program and afterwards there will be a cozy get-together with punch and all kinds of goodies. Please mark this date in your calendar. More information will be available in the next newsletter.

Halloween impressions

The Halloween party was again a great success. We would like to thank all parents for the generous donations for the delicious buffet. Here are a few impressions:

Mrs. Kestel gave birth to her child

We are happy about the birth of Maya Kestel, who was born in October. Mom and child are both doing well and enjoying their time together. We wish the young family all the best.

Beer tent furniture

Our school now has 20 beer tent sets, which we were able to finance thanks to the proceeds from the summer celebration.

If you need beer tent sets for a family celebration or other occasions, you can rent them from us. Please contact the secretary's office.

One-time afternoon care in case of emergency or before events

We also offer childcare for children for whom no regular afternoon care has been booked, e.g. if you have an emergency need at short notice or during the time between the end of school and a school event. Please understand that we charge a fee of 7,00 € per afternoon and will collect this amount by direct debit.

Homework

If your child has problems with homework or cannot solve certain tasks, we ask you to leave them blank. This allows the teachers to see what still needs to be practiced. Homework should not take longer than 60 minutes. Please inform the teacher, if your child requires more time.

Advent calendar in the classroom

In past years, several children in a class have brought in an Advent calendar for the class community. Unfortunately, the individual calendars could not be properly appreciated because there were too many in the class.

For this school year, please again check with your child's class teacher ahead of time to see if an Advent calendar is still needed for the class.

Thank you!

We wish all families a wonderful November!
