November 2023

**6<sup>th</sup> of November:  
1<sup>st</sup> school day.**

**22<sup>nd</sup> of November:  
Day of Prayer and  
Repentance**

**27<sup>th</sup> of November:  
Studiobühne-theater  
visit**

## **10/28 – 11/05/2023 Fall break**

The first day of school after the fall break is Monday, Nov. 06, 2023.

## **22<sup>nd</sup> of November: Day of Prayer and Repentance**

On this day, schools remain closed all over Bavaria.

## **27<sup>th</sup> of November: Studiobühne- theater visit**

This year our students will again go to the Studiobühne-theater in the morning to see the play "Bear in the Universe". The Christmas story was written by Dea Loher.

The class teachers will hand out a SEPA direct debit authorization for the amount of 10,50 € from each child on Monday, 11/06/2023 and collect it again until 11/17/2023. The bus fare must be paid even if the students do not attend, since the cost is non-refundable.

## New school registrations

Fortunately, we already have a large number of new registrations for the coming school years. However, we would like to ensure that the siblings of our students are also considered.

Therefore, we ask you to submit the registration forms for the siblings to us as early as possible (also for the school years further in the future). This way, we can guarantee that the siblings will also receive a place at our school. We would also appreciate you passing on the advice of early registration to interested parents.

## Impressions from Halloween

The Halloween party was again a great success. We would like to thank all parents for the donations for the delicious buffet. Here are a few impressions:

## Beer tent furniture

Our school now has 20 beer tent sets, which we were able to finance thanks to the proceeds from the summer party.

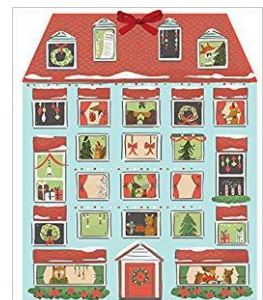

If you need beer tent sets for a family celebration or other occasions, you can rent them from us. Please contact the secretary's office for this purpose.

## One-time afternoon care in case of emergency

We are also happy to care for children for whom no regular afternoon care has been booked, e.g. if you have an emergency need at short notice (e.g. a surprise appointment, traffic jam, etc.) or in the time between the end of school and a school event, as long as we can offer it. Please understand that we will charge an amount of 7,00 € per afternoon for these care services and will collect the amount by direct debit.

## Advent calendar in class

In past years, several children in a class have brought in an Advent calendar for the class. Unfortunately, the individual calendars could not be properly appreciated because there were too many in the classes. Again this school year, please check with your child's class teacher beforehand to see if another Advent Calendar is needed for the class.
