9th of October: Circus event for the public

The Lauenburger Circus will offer an event for the public on Sunday, October 9th, 2022 at 2 pm on the school premises. All families and interested individuals can attend the performance. It will take about 2 hours.

9th of October: Apple harvest in the school garden, at approx. 4 pm

On Sunday, after the circus performance, we will harvest the apples in the palace garden together with our janitor Willy in order to bring them to the press house in Neudrossenfeld on Monday. The apple juice pressed there from our fruits will be given to the students during the breaks and in the afternoon.

It would be very nice if we had lots of helpers, we have a lot of apples on our trees this year. We could also still use baskets for the harvest. Please label them with your name. We could return them to you as early as Monday, 10/10/2022.

The cost of apple pressing is about 130 €. A donation to cover these costs would be greatly appreciated. We will put a piggy bank on the window board of the secretary's office on October 10, 2022.

You are welcome to put a donation in there.

12th of October: 1st school forum

On Wednesday, October 12 at 7 pm (online) we will hold our

1st school forum in this school year. Participants are the parent representatives, the school management, the school board and the teacher and staff representatives.

We ask all parents to forward their suggestions, questions, concerns and worries regarding school life as a whole to the respective parent representative so that they can be discussed on this evening. Your

parents' representative will get in touch with you.
