Pick up, parking and parking situation

When picking up students, the school's parking lot is very crowded at certain peak times. We kindly ask you to save space and keep the parking time short.

We ask for your understanding that the schoolyard is not open to traffic, because there are students walking there.

As you can also see from the school's hygiene concept, we ask you to continue to enter the school only in emergencies.

Therefore, please ring the bell at our main entrance, even if you only want to pick up your child from the afternoon care.

We thank you for this attention.

6th of October: AVALON Project for the 4th grade: online parent info evening

As already announced at the last parents' evening, we would like to invite all fourth grade parents to the Avalon parents' evening. On November 17th, Mrs. Dalmer and Mrs. Knorr from Avalon will hold a session on sex education with girls and boys. In order to inform you in detail about what the children will discuss and what materials they will see there, Mrs. Dalmer and Mrs. Knorr will explain everything in detail and will be available to answer any questions you may have. Due to the Corona situation, the parents' evening will take place as an online parents' information evening. The parents of the 4th grade will receive the access data for the parents' evening in a separate letter.

14th of October: 1st school forum

On Wednesday, October 14th at 7 pm our 1st School Forum for this school year will take place. The parents' representatives, the school management, the school board as well as the teachers' and employees' representatives will meet.
