## FunRun review

On the 26<sup>th</sup> of May, about 20 students and their siblings from our school participated in one of the kids' runs of the Maisel's FunRun. You were great! We are all very proud of your outstanding performance. Our thanks also go out to all parents, relatives and friends who cheered on all of our runners.

## 3<sup>rd</sup> of June: School forum

On Monday, June 3<sup>rd</sup>, our 3<sup>rd</sup> school forum will take place at 7pm.

We ask all parents to pass on their suggestions, questions, worries and needs, which concern the whole school life, to the respective parent representatives, so that these can be discussed on this evening. Your parent representative has already contacted you on this matter.

## 6<sup>th</sup> of June: Bayreuther Bewegungscheck (Bayreuth movement check)

For the first time, the sport institute of the University of Bayreuth offers a movement check for all 2<sup>nd</sup> graders. Participating 2<sup>nd</sup> graders will head to the Oberfrankenhalle on Thursday, June 6<sup>th</sup> and will complete various sports stations. Further information on this topic will be given separately.

## 6<sup>th</sup> and 26<sup>th</sup> of June: Visiting the fire department (4<sup>th</sup> and 3<sup>rd</sup> grade)

On Thursday, 06/06/2019, our 4<sup>th</sup> grade will visit the Bayreuth fire department between 9:45 am and 11:15 am as part of their Science lesson. The students can expect an interesting program in which they will learn a lot about the work of a professional fire fighter.

Our 3<sup>rd</sup> grade will visit the fire department at the same time on the 26<sup>th</sup> of June as part of their Science lessons.

## We thank our friends association for our basketball court

On behalf of all students we would like to thank the friends association for the financing, organization and setting up of the basketball court. With the financial help of the friends association and the help of its' members and a few parents, we were able to provide a first class basketball court, which our students enjoy using.

## Thanks to all helpers

We would like to take this opportunity to thank all the helpers who have supported us so actively this school year. One big project was the concreting of the foundation of our basketball court last fall. The other was the placing of the floor mats, as well as the spacing of the fall protection gravel (almost 16 tons!) under our outdoor playground equipment during the Easter holidays.

## 10<sup>th</sup> – 21<sup>st</sup> of June: Whitsun holidays

The Whitsun holidays begin on 7<sup>th</sup> of June. Lessons for all students will end at 11:30 am. There will be no lunch offered. Students are welcome to stay at school until 2 pm. Please register your child for that time with Ms. Erath ([erath.s@dr-wiesent.de](mailto:erath.s@dr-wiesent.de)), if you wish to take advantage of this offer. Afternoon care and courses will take place as usual. The first school day after the holidays will be on Monday, 24<sup>th</sup> of June.

## 25<sup>th</sup> of June: Annual sport event for schools

On the 25<sup>th</sup> of June, all students will meet between 7:45 am and 8 am on the BTS-sports ground (Am Mühlgraben, 95445 Bayreuth) in order to absolve the annual sport event for schools.

On this day, please bring your child to the BTS sports ground between 7:45 am and 8 am at the latest.

Please also notice that there is **no** supervision by teachers before 7:45 am. The children coming by bus shuttle will be transported directly to the BTS-Sports ground. The students from the early morning childcare will be brought to the sports ground by our school bus.

Please equip your children with enough drinks. After the event, the children will be brought back to the palace by a bus and can be picked up there as usual after school. The afternoon care will take place as usual, too. If it rains heavily on that day, the sports event will be cancelled and lessons will be held in the palace as usual. If it is very hot, we ask all parents to check their emails at 9:30 am for a possible early ending of school on account of excessively hot weather.

The event is a sport event which is initiated by the German Federal President and held annually at German schools and foreign schools. The students are expected to perform as well as possible in certain disciplines (swimming, athletic sports, gymnastics). We will participate in the sport event for schools in the discipline track and field in the form of a triathlon (throwing, running and jumping).

The achieved performances will be scored with points from standardized charts. Depending on the number of points achieved, participation certificates, winner's certificates and honorary certificates will be handed out.

## 27<sup>th</sup> of June: Cooperation games (2<sup>nd</sup> and 3<sup>rd</sup> grade)

On Thursday, 27<sup>th</sup> of June we will use the offer „cooperation games“ from the Lindenhof in Bayreuth. On this day, the second grade (8-10 am) and the third grade (10-12 am) will play games on the school ground at school under guidance to strengthen their class community. They can experience fun, fellowship, trust during teamwork and strengthen their communication skills in the group as well as manners, rules and structures. The costs are **4,00€**. Please hand in the amount to the class teacher by latest **7<sup>th</sup> of June**.

## 26<sup>th</sup> – 28<sup>th</sup> of June: Country hostel (4<sup>th</sup> grade)

From Wednesday, June 26<sup>th</sup> to Wednesday, June 28<sup>th</sup>, our fourth graders will travel together with Mrs. Kreuzer and Mrs. Heinz to the country hostel in Wunsiedel. Here, the children will do different activities. This trip is a nice get-together outside the classroom and may even make friends over the years to come. The students will return Friday at around 11:30 am and can then be picked up. If required, you can also order lunch for this day.

## Early dismissal due to extreme heat

There is no legal regulation, according to which an early dismissal due to extreme heat is issued. This is sole responsibility of the head of school. We will inform you in time via e-mail, if it comes to an early dismissal due to extreme heat. As in the past, your children will be given the possibility of being cared for until 2 pm and then be able to attend the afternoon care.

## Accompanying children to school

In order to support our students in their independence, we ask all parents who accompany their children into the classroom in the morning to reconsider. Your children can master their way to class without any help. Additionally, they need to learn to take responsibility for their school supplies and clothing. Please talk to your child about this at home and support it on its way to independence.

**We wish you and your children wonderful Whitsun holidays!**
