Lost and found things

1st of March: Carnival and holidays

On the last school day before the carnival holidays all children are allowed to come to school dressed up. However, the children should not bring any pistols or weapons of any kind, as well as confetti to school. The first and second grade will not have any physical education lessons on that day.

School lessons will end at **11.30am** on that day. Please contact Mrs. Erath (erath@dr-wiesent.de) if you would like your child to be looked after until 2pm on that day. The afternoon course and the afternoon care will take place as usual until 5pm.

School starts again on Monday, 11th of March.

Parents' evenings

We would like to invite you to our parents' evenings in the 2nd term.

1st grade: Monday, 03/18/2019, at 5pm

2nd grade: Tuesday, 03/19/2019, at 5pm

3rd grade: Wednesday, 03/20/2019, at 5pm

4th grade: Thursday, 03/21/2019, at 5pm

28th of February 2019

Interns from the Isle of Man

From 03/25 to 03/29 two interns from the Isle of Man will visit us. They will accompany and support our teachers in their lessons and challenge the students in the English language. We are looking forward to their visit.

JUMP – Fitness and health

As announced verbally in the November school forum, since the middle of February our new sports course JUMP has started.

JUMP serves to promote coordination and fitness, as well as the correction of incorrect postures with associated stretching exercises. Mr. Myers, who is a certified fitness trainer, leads this course.

JUMP takes place every Monday and Thursday during the lunch break. In order to train the above mentioned corrections of postures, a small group of students will be brought into the course by Mr. Myers after being picked by him or the class teacher. The course takes place within a maximum time frame of 20 minutes. After several course units, the course members will also change so that all students can enjoy the sports program.

Goal of this course is to recognize and correct early false postures. Mr. Myers leads this course in a child-friendly and playful way in order to communicate the fun of movement and sports to the children. The students still have enough time to play with friends in our garden. If you have any questions regarding the JUMP course, please do not hesitate to contact Mr. Myers.

AOK – nutrition lincense

A sound nutrition and consumer education in school is becoming increasingly important. Therefore, our 3rd grade will be working in cooperation the AOK health insurance company on a nutrition project, which will take place every Wednesday between 03/27 and 05/22 over a duration of two lesson hours. The project covers all fundamental topics around nutrition and preparation of healthy meals. At the end of this project the students have to take an exam by the AOK, and then they will be handed out their nutrition license.

Advance notice for the month of April: We are collecting Easter nests for the Bayreuther Tafel

In April, we would again like to do our project "Easter nests for the Bayreuther Tafel". We will make nests and fill them up with candy together with all students starting in April. Therefore, we would be glad, if you could give your child some sweets between 8th and 11th of April. We are going to collect the sweets in our secretariat. Afterwards, the nests will be brought to the Bayreuther Tafel.

Lost and found things

Our lost and found box is overstuffed. We would kindly ask you to take a peek at our lost and found box. Maybe you will find lost clothes, shoes or items. Our lost and found box can be found in our main entrance hallway. It will be emptied by March 4th. All left over items and clothes will be donated for a good cause.

We wish you and your families relaxing holidays.

Your school team of the Private Elementary School Thiergarten Palace.
