Brought along lunch

We apologize for any inconvenience caused by the fact that we are no longer able to warm up your children's lunch in the microwave oven of our kitchen. Due to the large number of students attending our school, we would not be able to guarantee a smooth lunch handout process. We can only offer this service to children who cannot enjoy the meals offered by the Chamber of Crafts due to health issues and who have provided this with a certificate by a doctor. Nevertheless, you are welcome to give your child meals in a thermal container, if he or she does not wish to eat the meals offered by the Chamber of Crafts.

Sweets at school

At the moment many children have been bringing a lot of sweets with them and exchanging them, often for other things, such as reward tokens / stones. Therefore we would like to point out the already discussed regulations.

- Every child only brings enough candy for itself and in a healthy amount.
- No candies will be exchanged.
- Birthday cakes need to be pre-cut at home. The birthday child may then distribute the cake during recess.

Brought soccer balls and basketballs

Due to safety reasons we unfortunately cannot allow students to bring soccer balls or basketballs to school.
