Child care before the lessons

Our school opens at 7:30 am.

Please understand that, for insurance reasons, we do not open the school grounds for children before that time.

Pick-up, parking and parking situation

At certain peak times, the parking lot and entrance area of the school are very narrow. We kindly ask you to park in a space-saving way.

Please do not stay in the entrance area of the building when picking up your child, as this is where first and second grades change their clothes and the hallway becomes too narrow.

Please be considerate of each other on the parking lot. It is not absolutely necessary to park longer in the morning, as the children should also walk alone to the school building in order to strengthen their independence. Of course, if you wish to talk to a teacher or if your child has a lot of bags to carry, you are welcome to enter the school building with your child.
