

### Information for the new school year 2019/2020

Dear parents,

The current school year is about to end and we are planning for the new school year, which our school team is looking forward to. On Tuesday, 10<sup>th</sup> of September 2019, we will not only welcome our current students, but also our little school starters.

For the new school year I wanted to inform you in advance about the following issues:

- **1<sup>st</sup> day of school for our new students:** On Tuesday, 10<sup>th</sup> of September 2019, the first day of school begins for our new students. At 10:00 am we welcome our first graders with their parents and relatives. For this day the children only need their school cones and their school bags with a pencil case (please include scissors and a glue stick). After the mutual greeting in the dining-hall and having explored the classroom, the parents say goodbye over coffee and cake. At 11:30 am the first graders will eat together with our older students and can then be picked up at 2:00 pm by their parents.
- **1<sup>st</sup> day of school for the 2-4 graders:** On Tuesday, 10<sup>th</sup> of September 2019, lessons begin as usual at 8:00 am at our school. At 10am we greet the first graders together. Lessons end at 2:00 pm.
- **Photographer:** On Thursday, 12<sup>th</sup> of September ( 1<sup>st</sup> / 2<sup>nd</sup> class) and Friday, 13<sup>th</sup> of September ( 3<sup>rd</sup> / 4<sup>th</sup> class) the photographer Jennifer Sinn will come to us. The first graders will be photographed on Thursday, September 12<sup>th</sup>. It would be nice if they could bring their (empty) school cone again on this day. You can choose between a photo set or just the class photo. For single photos we divide the children one according to the order. If many children register, we also have to distribute afternoon appointments. Please fill in the form from Ms. Sinn for the order and send it to us by 26<sup>th</sup> of July 2019. You will receive a confirmation of receipt. A late registration for individual photos is not possible. Class pictures can be reordered.
- **Afternoon care:** The afternoon care also begins on 10<sup>th</sup> of September, as usual from 2:00 pm to 5:00 pm. The afternoon program starts the next day. More detailed information about the agenda will be given to you by Ms. Erath.

- **Parental work:** Constructive parental work and good cooperation with parent representatives are very important to us. Therefore, the following parent-information evenings will already take place at 5:00 pm accordingly:

09.16.2019, 6:30 pm Parents' evening for the 1<sup>st</sup> grade

09.17.2019, 5:00 pm Parents' evening for the 2<sup>nd</sup> grade

09.18.2019, 5:00 pm Parents' evening for the 3<sup>rd</sup> grade

09.19.2019, 5:00 pm Parents' evening for the 4<sup>th</sup> grade

On these evenings you will be informed by our class teachers about all important things concerning the lessons in the new school year and the class parent representatives will be elected. If you have any concerns during the school year, please contact us for a personal interview at any time during the respective consultation hours (the times will be announced on the parents' evening).

On Monday, 23<sup>rd</sup> of September 2019 all parents' representatives will meet at 8:00 am for the election of the school parent representative in the Palace.

In cooperation with the parents' representatives, we will also organize a parents' forum 3 times a year at 7:00 pm each. For this purpose, the parents' representatives, with the help of your questions/suggestions, create an agenda together with the teachers' representatives as well as the school management and the school board, which is then discussed in the forum together with the school board, the school management and the teachers.
